Garden of Resolutions

In our garden we have planted 5 rows of peas:
Preparedness, Promptness, Perseverance, Politeness & Prayer
Next to them we planted 3 rows of squash:
Squash gossip, Squash unreasonableness, Squash criticism
Then we put in 5 rows of lettuce:
Let us be faithful, Let us be unselfish, Let us be loyal
Let us be truthful, Let us love one another
And of course no garden is complete without turnips, 4 rows of
them:
Turn up for meetings, Turn up with new ideas, Turn up with a smile
Turn up with new determination
Our garden will flower abundantly and produce healthy results if tended to
daily.

BELIEVE IN YOURSELF

Believe in yourself
In the power you have
To control you own life, day by day

Believe in the strength
That you have deep inside
And your faith will help
Show you the way

Believe in tomorrow
And what it will bring
Let a hopeful heart carry you through
For things will workout
If you trust and believe
