Grand Master's Message

"Commit to Excellence.

Become massively innovative and wear your passion on your sieve.

They might call you different, weird or even 'Crazy',

But please remember that every GREAT leader

(or visionary or Brave thinker)

was initially laughed at. Now they are Revered."

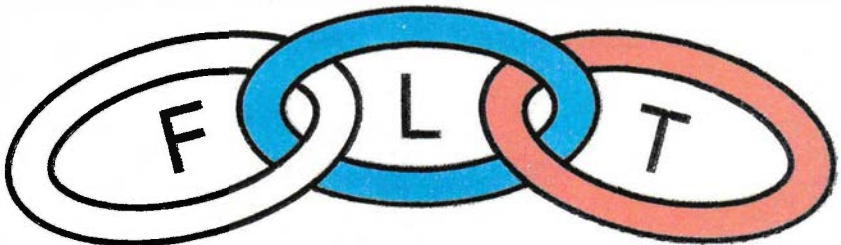

Robin Sharma

The World has yet to see

All of the Outstanding projects we support.

We must strive to bring

ODD FELLOWSHIP to the forefront of the public eye of the world
to further our endeavours and help us build the next generations
of ODD FELLOWSHIP.

President's Message

Let there be Peace on Earth. More than ever before, we must strive to bring Peace not only to our community and the world, but Peace within our Order. We are an unique fraternity and must work together to keep going with the hard work of so many years.

I dedicate may year as President to a wonderful Past President, Sister Marilyn Nichols. Marilyn, you introduced me to the best fraternity in the world. You guided me, you are always there for me for support and guidance. To all the members of Jewel No. 25, Maple Leaf No. 2, Rebekahs of Alberta and through the wonderful Jurisdictions that I have visited and will visit, I promise to use the Information I have learned and will continue to listen, strive, and work towards strengthening and growing our fraternity through Friendship, Love and Truth.

I follow in the footsteps of so many wonderful Past Presidents. I promise to work hard and make you all proud.

The Monarch butterfly is a dying breed. As our membership is declining, let us work toward keeping our members growing as so many are working toward the protection of this beautiful butterfly. The Dove is the most iconic symbol of Peace, the olive branch symbol of all the branches of our Order.

I wish you Peace. Working together we will continue to make it happen.

Love to All, in FLT, Sister Judy McPherson, Assembly President

Aim: Help those who cannot help themselves

Prayer: Psalm 23, Psalm of David

The Lord is my shepherd; I shall not want.
He makes me lie down in green pastures;
He leads me beside quiet waters. He
restores my soul; He guides me in paths
of righteousness for His name's sake.

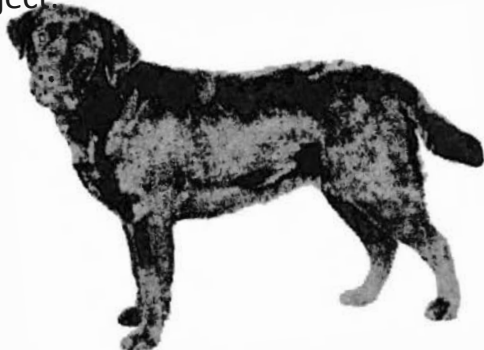

Flower: The Prickly Pear Cactus

Like a cactus that can grow where nothing
else can ... Let our order overcome and
grow as well.

Mascot: The Labrador retriever ... (Loyal to the end)

Guide: The Bible and Perspective

Crippled and Afflicted Children
Project:

"Be Someone's reason to smile
Anyone can be the reason for someone
else's pain and heartaches...

But a truly loving person is one who can
heal a broken heart...

Someone who can take a broken person and
make them whole again...

A loving person is the one who wipes away tears
and teaches someone to smile again...

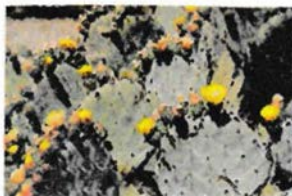

Every day you have a choice as to which person you
want to be in someone's

Life ...

Chose to be a loving person ...

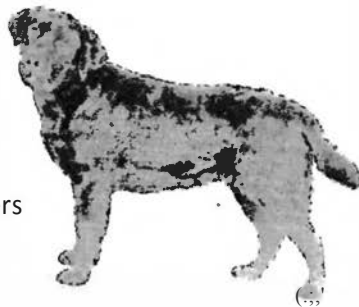

Be that person in someone else's life"

O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada we stand on guard for thee.
God keep our land glorious and free!
O Canada we stand on guard for thee.
O Canada, we stand on guard for thee.

STAR SPANGLED BANNER

O say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming!
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there;
O say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave!
