

ASSEMBLY PRESIDENT'S MESSAGE

My theme this year is based on "YOU ARE VALUABLE". The message I would like to leave with everyone is that you need to respect everyone. I chose the Ark as my mascot because God respected, honored and trusted Noah by asking him to build the Ark. Then he had him gather the animals in pairs, there were cats, dogs, birds, lions, tigers, elephants, giraffes, snakes, reptiles and even humans on this ark. They learned that they had to get along with each other and be considerate of each other because each of them was valuable for life and the world to continue. We need not be like the Unicom who would not listen to what was happening and would not go with the animals and today is now extinct. Today, they are all considerate each others territory and way of life and ideas. We need to learn from this and treat each other with dignity and respect. Each one of us has our own ideas, thoughts, points of view as we are all unique individuals and are valuable to this Order and the world around us. It means accepting members/people as they are and not dismissing them because they are different to you and may be of a different age group or ethnic culture. It also means not gossiping about people or spreading lies and rumors, as these may be hurtful and untrue; thus, hurting one's feelings and causing them to stay away from our Lodge meetings.

I chose the Angel, as my emblem, because I believe that we all have an angel who is looking out for us. My angels are my Grandparents, who started my volunteer organizational route and leadership training. Then my parents, Roy and Gladys Dowell and Sister Marian Nelson, who asked me to join the Rebekahs and that is why and how I am here today representing you as your President and the Jurisdiction of Alberta. I look forward to meeting each of you, the members this year as I travel to the lodges in our great Province. Remember to spread Friendship, Love and Truth on your daily travels

ASSEMBLY PRESIDENT'S PROGRAM
