Who Are We?

We are the ladies branches of the Independent Order of Odd Fellows.

We are a fraternal organization, with members in 19 countries.

We meet in "groups" or "lodges" twice a month. Each meeting includes business, with a social hour following.

We come from all walks of life and from different faiths. We do not, and should not, take the place of your church.

We have a common belief in a supreme being, a love and loyalty to our country, and a desire to aid and support each other and those around us in distress.

We follow a ritual, which was first established in 1851. This printed word enables members to learn the beautiful teachings of our Order while becoming familiar with the work, which is unwritten, thus giving members a sense of satisfaction and belonging.

What Do We Do?

Each lodge in a province or a state has its own special projects. Most areas maintain and support a home for their aged members, who are in need of care during their golden years.

We support each other emotionally, physically and when necessary financially through special funding.

We work together to raise money through various projects, special events or sales to support our projects, and special activities.

Why Join the Rebekahs?

There may come a time in life when friends and family are elsewhere and you crave companionship:

To enjoy the social aspects of meeting nights, fraternal visits, district meetings, yearly conventions.

To reap the benefits of group support -- close friendships, and the feeling of satisfaction and joy that comes from working together.

To be part of a great organization, doing for others.

Rebekah Creed

I AM A REBEKAH

I believe in the Fatherhood of God, the Brotherhood of man and the Sisterhood of woman.

I believe in the watchwords of our Order -- Friendship, Love and Truth.

Friendship -- is like a golden chain that ties our hearts together.

Love -- is one of our most precious gifts, the more you give, the more you receive.

Truth -- is the standard by which we value people. It is the foundation of our society.

I believe that the main concern should be my God, my family, and my friends, I then should reach out to my community and the world, for in God's eyes, we are all brothers and sisters.

I AM A REBEKAH!
